

SEED SHARING EXCHANGE PROGRAM

at Beaver Creek Library

Saturday, November 13th
1:30 – 2:30pm

Gardeners of all ages and experience levels are welcome!

This month we will be sharing our fruit and veggie seeds! We will also be cleaning and packaging seeds that we received last month! We have some great locally grown veggie and flower varieties. You are welcome to take up to 5 packets of seeds [for free!] each visit! We will be offering educational opportunities as our group grows... and of course seeds each month!
