Permission to Photograph: YES NO

Signature

Join us on Fridays from 10-11:30 am
for Eureka Lab starting Feb. 16, 2024!

We will explore coding, robotics, teamwork and other STEAM projects.

Currently space is limited to 10 kiddos grades 3-5.

Children under 8 must be accompanied by a parent.

Returning students welcome to participate!

We expect good attitudes and behavior from all children involved in the Eureka Lab. **Episodes of misbehavior will result in children's removal from the program at the discretion of the library coordinators.** Parents whose children participate will be asked to fill out a brief survey at the beginning of the program and at the end of their child's participation in the program for grant reporting purposes.

We look forward to fun activities and discoveries in the Eureka Lab!
