

DIGITAL NAVIGATION EDUCATIONAL COURSES

About Programs

Faith will offer two-hour one-on-one sessions focused on fundamental computer skills, covering topics such as:

- Email usage and management
- Handling attachments
- Computer setup
- Document printing
- Internet access
- Online searches

Additionally, we will cover essential phone skills, including:

- Adjusting settings
- Email management
- Using FaceTime

We are still offering computer classes

Please check available classes on NorthStar at [NorthStar Digital Literacy Assessment](#) and let us know which classes your library is interested in.
